5. Provide literacy support for all ages.

BCPL provides literacy support for all ages in various programs and services.

BCPL offers the most programming targeting early literacy and youth literacy. They host the Parent/Child Workshop two times per year. Take Your Child to the Library Day is held annually to encourage families to visit the library together. BCPL conducts the 1000 Books Before Kindergarten program. Backpacks for the program are available in English and Spanish. Every week is Toddler Time which incorporates play, stories, and bilingual songs and fingerplays.

ESL classes were rebranded as ESL Circles. The library subscribes to Mango Languages.

BCPL conducts a Summer Reading Program annually at each branch. The library follows the CSLP theme.

Each month, the library hosts an adult book club. BCPL also participates in Gulf Coast Reads.
